## **Installation Instructions Oil filler Cap R1200GS**

### Contains:

- 1 x Oil Filer Cap BMW R1200 GS
- 1 x 7mm Hex key

### **Installation:**

Clean the surface around oil filler cap and remove it. Clean the sealing surfaces and threads. The Touratech oil filler cap will be installed like the original and tightened with the supplied 7mm Hex key.

Don't forget to attach the small hex key in the key ring of your R1200GS ignition key.
